River Cleanup & Celebration

Please support the Anacostia Watershed Society as we celebrate the 40th Anniversary of Earth Day! Our annual Earth Day event will bring together hundreds of volunteers to participate in a massive trash cleanup along the shores of the Anacostia River in the District of Columbia and many upstream tributaries in Maryland. An Earth Day Celebration will follow the morning cleanup featuring free food, music and presentations from government officials. Become a corporate sponsor today and help us make this Earth Day the best the Capitol Area has ever seen!
