

Green Roof Information, Designers & Contractors

Important Note: This is a preliminary list of regional green roof organizations, designers & contractors in the DC Metropolitan Area. It is primarily made up of local and regional companies and intended for informational use only. You can find information about national companies at either www.greenroofs.org or www.greenroofs.com. This list does not represent an endorsement of any firm, company or green roof technology and the information is not necessarily accurate or the most current. Please contact the organizations listed below for additional information. If you have any questions, or know of additional groups we should list, please contact the Anacostia Watershed Society at (301) 699-6204 or GreenRoofs@Anacostia.org.
