

2012-13 Green Roof Rebate Program

Project Summary

Project address: 1307 Corcoran St. NW 20009

Property owner / applicant: Susan Benesch

Date Completed: 9/3/2013

Contractor: Dave Marsh

Green roof area: 338 sf

Depth of growing media: 5-18"

Description: Extensive green roof with surrounding planters on a small, residential garage. A combination of plugs, seeds, seedlings, and transplants were used as methods of vegetation, and drip irrigation was implemented for the maintenance of the roof.
