

2012 Green Roofs Rebate Program Intern (1 position)

AWS mission:

The mission of the Anacostia Watershed Society is to protect and restore the Anacostia River and its watershed communities by cleaning the water, recovering the shores, and honoring the heritage. Since 1989, AWS has mobilized thousands of volunteers, interns, and supporters to plant trees, stencil storm drains, restore wetlands, remove invasive plants, stabilize streambanks, pick up trash, provide operational and programmatic support, experience the river through paddle canoes and kayaks, ride pontoon boats, and much more, all in the name of returning the Anacostia River and its surrounding communities to a clean and healthy condition.

Description:

We are looking for skillful and enthusiastic individuals to support our Stewardship Team's Green Roof Rebate Program for 2012. This internship provides excellent exposure to the world of watershed stewardship, low impact development technologies (LID) locally-based non-profit environmental organizations. The position will require support on...

This position is not a paid position.

Requirements and desired skills:

- ✓ A college student or novel professional with a strong desire to...
- ✓ Ability to work with minimal supervision.
- ✓ Good oral communication skills to help us supervise and educate volunteers.
- ✓ Commit to be available at least 3 days per week, days and hours are negotiable, but preferably at least one day will be a Tuesday.
- ✓ Must be reliable and responsible.
- ✓ Proficient in MS Office.

Expected competencies to be gained:

1. Knowledge about green roof technology and the rebate program.
2. Knowledge about the Anacostia watershed and the partnerships and stewardship efforts occurring in the area to clean it and restore it.
